Fanstack Profile

- 1.) The list prices shown include all stack segments for one complete fanstack assembly.
- 2.) Fanstack pricing includes 304SS stitch hardware, one coupling guard with 304SS hardware, one 4" viewport and, for all stacks 10' tall or taller, one access door in one segment with 304SS hardware.
- 3.) For quantities of fanstacks larger than six (6), please call Dynamic Fabricators for possible volume pricing discounts.
- 4.) The fanstacks shown above are our most common sizes sold. Please call Dynamic Fabricators for any diameter or height of fanstack not indicated above as we may be able to provide sizes other than those shown.
- 5.) All pricing is provided in U.S. Dollars. The costs for domestic crating and loading only are included. Freight costs to jobsite are not included. International crating costs are not included.
